Opportunities for Medical Students and Residents from Underrepresented Populations

The Conquer Cancer Foundation of ASCO is working to increase access to quality cancer care for underserved communities by inviting medical students and residents from underrepresented populations in medicine to consider a career in oncology. We encourage you to pass along this information to individuals who might be interested.

**MEDICAL STUDENT ROTATION**
Provides financial support for U.S. medical students from populations underrepresented in medicine to complete a clinical or clinical research oncology rotation.

For eligibility criteria and to apply visit: ConquerCancerFoundation.org/MSR

**RESIDENT TRAVEL AWARD**
Provides financial support for residents from underrepresented populations to attend ASCO’s Annual Meeting. This award will allow the recipients to travel to the 2014 ASCO Annual Scientific Meeting, where they will have an opportunity to meet oncologists and to learn more about the career possibilities in oncology.

For eligibility criteria and to apply visit: ConquerCancerFoundation.org/RTA

Applications Close: December 17, 2013, 11:59 EST
Recipients will be announced in March 2014.

“This program was one of the most enriching programs that I’ve been able to participate in.”
