

# TURN ONCOLOGY'S BRIGHTEST IDEAS INTO LIFESAVING BREAKTHROUGHS

EveryGrant helps organizations design and manage world-class grant programs to achieve maximum impact for people with cancer around the world.

## THE GRANTMAKING CHALLENGE

There's more to grantmaking than awarding grants. Developing a successful, effective grant program requires a level of resources and time that even some of the world's largest organizations struggle to sustain, including:

- Budget
- Infrastructure
- Staffing
- Multi-disciplinary expertise
- Time
- Operational support

## THE EVERYGRANT® ADVANTAGE

EveryGrant is a comprehensive grant management service that blends decades of grantmaking success with a global network of experts to help organizations design innovative funding programs—all without navigating the complexities of building them in-house.

### A Proven Approach to Grant Management

- ✓ Powered by Conquer Cancer, the ASCO Foundation
- ✓ An extensive global network of oncology experts dedicated to achieving the best outcomes for patients
- ✓ More than 25 years of grants management experience
- ✓ A proven record of supporting the most promising and impactful research
- ✓ Tried and tested application platform, scientific review process, performance tracking, reporting systems and more

## WITH EVERYGRANT, YOU GET:

### COLLABORATION

We blend our expertise with your unique strengths to maximize your grant's potential impact.

### CUSTOMIZATION

Our flexible, white-label service allows you to design your program according to your unique brand and needs.

### EXPERT GUIDANCE

Our global network provides the strategic guidance you need to ensure your grant's success.

### A PROVEN APPROACH

Access Conquer Cancer's world-renowned grants management system and expertise.

### A READY-MADE NETWORK

Attract the best and brightest applicants through our well-established promotional channels and networks.
